

# CANADIAN PRECAST CONCRETE QUALITY ASSURANCE (CPCQA) CERTIFICATION PROGRAM

## SCHEDULE A

Page 1 of 3

THIS SCHEDULE lists the precast concrete products of

***Lafarge Canada Inc.  
185 Dawson Road,  
Winnipeg, Manitoba  
R2J 0S6***

That have been found to comply with the **Prequalification Requirements for Precast Concrete Drainage Products**, (Revised February 2016) as certified by the **Canadian Precast Concrete Quality Assurance (CPCQA) Certification Program** with respect to the precast concrete product on page 2 and 3 of this schedule.

This plant and its output of product are subject to periodic inspection and testing by the Accredited Certification Organization, (ACO). Failure on the part of **LAFARGE Canada Inc.** to maintain the required quality control or comply with all prequalification requirements or failure of the product manufactured at the said plant to comply with the standard specifications may, at the discretion of the CPCQA Quality Assurance Council, result in the decertification of this plant with respect to any or all precast products listed in this schedule.

The CPCQA does not represent that all product of the type referred to herein made by the Certificate Holder will meet the required standards, only that the Certificate Holder is capable of making such product. It is the responsibility of the Contractors or others who acquire product made by the Certificate Holder to ensure that such product meets requirements satisfactory for its use.

Except as provided for above, this Schedule is valid to **January 31, 2022** for the following products:
